

## **Starz Entertainment Acquires Broadcast Rights to Osso Bucco**

COLORADO and LOS ANGELES, May 26, 2009

Starz Entertainment announced today that it has acquired U.S. broadcast rights for feature film "**Osso Bucco**" starring Emmy-nominated actress **Ileana Douglas** (Goodfellas, Stir of Echoes, Six Feet Under) and **Mike Starr** (Dumb & Dumber, Goodfellas, Black Dahlia).

Trapped in his favorite restaurant during the worst snow storm in Chicago history, Jelly Dinotto (Starr) a lovable, misfit mobster, has one night to escape the family business and win the heart of Megan (Douglas) – the woman of his dreams. The problem? Jelly and his trigger-happy cousin, Nick, discover that two underachieving detectives are also trapped in the restaurant with a warrant for their arrest. Sparks soon begin to fly, pistols light up, and the power in the restaurant goes out. Sanity is restored as Megan mysteriously finds herself in charge with the only remaining loaded gun. As the snow continues to fall, Jelly must ultimately choose between the life he knows and the woman he loves in this engaging dark, romantic mobster comedy.

Osso Bucco was written by Gary Taylor, produced by Riverwest Films and is represented by Dazzle Entertainment and Princ Films.

The film is scheduled to air on Encore Love channel in November.
